“...and as you join Freemasonry, initially they'll tell you that their G, the G in the square and compass, means God. But then as you go up through the levels, they'll tell you, 'Oh, this stands for Gnosis, knowledge.' But then when you get higher up it stands for the Generative principle, which means, *buggering little boys*. And I'm not saying that on my own authority. I spoke with the highest ranking Freemason to defect to Christianity, Jim Shaw, and um, he was a 33rd degree Freemason, and I had a number of conversations over the phone with him about Freemasonry. And um, you know, I got it from the horse's mouth.” Fritz Springmeier on the Hagmann & Hagmann Report - 10/17/13, (Transcript from about 1:38 into the archived mp3) [\[2012\] Part 1 - The Sodomite Gateway - Gnosis, Illumination and Communion with the gods](#)

'The primary requirement of a pedophile is that the protective biological father is removed from the family. This is Feminism's primary aim. Feminism is a cover for pedophilia.' ~ Greg Hallett (Midday, 10 March 2015)

[Jimmy Savile and how the liberal left encouraged the sexualisation of our children](#) Back in 1978, an organisation called the Paedophile Information Exchange affiliated itself to the National Council for Civil Liberties — known today as Liberty. PIE — whose members were reportedly attracted to boys and girls — set out to make paedophilia respectable.

It campaigned to reduce the age of consent and resist controls on child pornography. Until it excluded PIE in 1983, the NCCL thus backed this disgusting agenda of child abuse.

Indeed, even before PIE was affiliated to it, the NCCL was campaigning to liberalise paedophilia and reduce the age of sexual consent to 14. In 1976, the NCCL argued ‘childhood sexual experiences, willingly engaged in with an adult, result in no identifiable damage’. And in 1977 it said: ‘NCCL has no policy on [PIE’s] aims, other than the evidence that children are harmed if, after a mutual relationship with an adult, they are exposed to the attentions of the police, Press and court.’ The assumption that paedophilia did not harm a child, and that the only harm was done instead by reporting it to the police, was, of course, grotesque. Yet during this time, when PIE members were being prosecuted on indecency and pornography charges, the General Secretary of the NCCL was Patricia [Hewitt](#)— later to become a Labour Cabinet minister.

A second future Labour minister, Harriet [Harman](#), served as the NCCL’s legal officer for four years from 1978. Harman has called the Savile revelations ‘a stain’ on the BBC. Yet while she was at the NCCL she seemed untroubled by its PIE affiliate. Moreover, she campaigned for a liberalisation of child porn laws. In the NCCL’s response to a Bill that aimed to ban indecent images of under-16s, she stated absurdly that pornographic photographs or films of children should not be considered indecent unless it could be shown the subject had suffered, claiming that the new law could lead to ‘damaging and absurd prosecutions’ and ‘increase censorship’.

Embarrassed by this reminder, Harman now insists she never condoned pornography and had merely wanted to ensure the new law delivered child protection rather than censorship.

How disingenuous. For in such liberal circles, freedom unconstrained by any rules at all had become the shibboleth. Not just freedom of expression but — fatefully — freedom to have sex without any constraints. Any form of sexual activity was seen as a ‘right’ — regardless of with whom you did it. That’s why the NCCL also campaigned to decriminalise incest. Objectors were damned as prigs, prudes and bigots. Their silence was enforced by the vicious, politically correct demonisation of anyone who tried to blow the whistle on licentious behaviour, which was blessed by liberals and thus deemed to be untouchable. The result was that in case after case over the years, the authorities turned a blind eye to the systematic sexual abuse of children in care homes, principally through the terror of being labelled ‘homophobic’.

Whenever you have a high-ranking homosexual fronting as a married heterosexual, you have a malleable spy who will go to any treasonous lengths and use all their resources just to maintain one or all of their positions. Many homosexual Freemasons use Freemasonry and marriage as a form of cover. Freemasons have a high rate of child-sex abuse, paedophilia and incest, with accounts suggesting that Freemasons sexually abuse a third of their daughters and granddaughters. Paedophiles control Freemasons, because Freemasons consider paedophiles to be close to royals. Royals use their illegitimate children for supply and control for paedophiles. Police are a Freemasonry organisation and serve the British Crown. Thus Police cover for paedophiles and expect promotions when they do so. Freemasons admire paedophiles and a Freemason will do anything a paedophile asks them to do. This does not exclude dropping the Berlin Wall.

Because the Freemasons control the police and judiciary, Freemasons are rarely charged for their incest, child-sex abuse and Paedophilia. When they are discovered, the first step is to cover up. When it becomes too obvious they are often murdered. Sometimes these murders are real and other times they are fake with new identities established elsewhere. In the case of really important secret society Members, they are retained, hidden and used for ceremonial purposes. [Hitler was a British Agent by Greg Hallett](#) p.205

Hitler is everywhere now. There are parts of him in every leader in the world. Governments are occult organisations dedicated to the destruction of their citizens' lives by whatever means is most profitable. We live in a Mafia State. You do in your country too. New Zealand is ruled by a mafia of paedophiles. What we are witnessing is the transfer of control from national governments to the Shadow World Government and from there to the One World Order where heterosexual male individuality is treated with the utmost suspicion - as virtual treason. Patriotism is now treasonous. All that defined yesterday's heroes is now under attack. [Hitler was a British Agent by Greg Hallett](#)

George Robertson was very close to Thomas Hamilton, and due to his association with paedophiles, he was elevated to Lord Robertson, and promoted to the Secretary General of NATO (11 October 1999-5 January 2004) where he excelled in heroin trafficking. Tony Blair and Gordon Brown had a vested interest in "wasting" the Dunblane paedophile victim children who were beginning to talk. So, at their request, the gun for Thomas Hamilton was organised by George Robertson, Michael Forsyth, and Robert Bell. Edinburgh Evening News, 23 March 1996. front page lead: "Chairman of British Foreign Secretary Malcolm Rifkind constituency party at Edinburgh Pentlands, Robert Bell, sold guns and ammunition to Thomas Hamilton only a few weeks before the Dunblane massacre, and it was reported he said he would sell him guns again." "Robert Bell supplied Thomas Hamilton with two .357 Magnum revolvers and two 9 mm Browning pistols with an alternating full metal-jacket and hollow point ammunition. This was despite Hamilton being a convicted child sex offender, and having close ties with a top policeman, etc.."⁸ Conveniently the UK banned handguns soon after. This reeks of the Port Arthur Massacre in Tasmania, Australia (46 days later) where on 28 April 1996, 35 people were killed and 21 wounded. That was blamed on the retard, Martin Bryant (23). Two weeks later, Australia banned all sorts of guns. [\[2010\] THE SEX COLLECTORS - How the World is run on Shame - Vol. III, HEROIN TICKET by Greg Hallett](#)

What if you could turn almost anyone into a pedophile? The NSA has psychics that can do just that in a remarkably short period of time. In June of 1987, Jozeph Verbeeck, head of the Belgian national office of UNICEF, was arrested for his involvement in a large-scale child pornography and pedophile ring. Jozeph Verbeeck abused his influential position in UNICEF in order to procure children for wealthy clients across Europe. Some of the children exploited by Verbeeck were as young as eight-months old.

Well, every darksider I ever met was either gay or lesbian, at the highest levels or in government. When you choose anti-life, everything becomes backward. A dookey-boy is a person who has sex with other men, for the sole purpose of destroying the inner spirit of the victim. A dooker, or dookey-boy. Most catholic priests are dookey-boys. When a man sodomizes a child at three, the child bonds to that man as if he were their father, and when he's a man of the cloth, of the Church, the child bonds to the Church, too. This sodomy thing has been around for hundreds of years. Ignatius Loyola, founder of the Jesuits, was a Catholic mystic; he had to have been a sodomized one. He was the guy who headed up the Inquisition to persecute those who didn't adhere to the tenets of the Catholic faith. Terribly cruel! How could you be that cruel if you didn't have the sodomy rage? The torture they put people through! Later, Joseph Mengele developed the programming and brought it up to another level. He was a Catholic alter boy. I think he was also a Rothschild and a Jesuit. The founder of the Illuminati was Adam Weishaupt, trained as a Jesuit. [Deprogrammer Interview with Marion Knox: In the House of the Strongman, Sodomy is the Key - by Elana Freeland](#)

If one wants to discuss hybrids then there is no better starting point then to study the minds and methods of serial murderers, serial rapists and pedophiles because a disproportionate number of the latter are drac or reptilian hybrids. ("Dracs" refers to the ancient gargoyle species) Due to their drac or reptilian genetics, they lack the kind of frontal lobe capacity which acts as a safety net that prevents most people from acting out in a sexually sadistic manner. It should therefore come as no surprise that the so-called "Elite" of this planet often indulge in such practices as Incest, **Pedophilism**, human sacrifice and the institutionalized global trafficking of human sex slaves. The Illuminati believe that they can suck the life spirit out of a person through intercourse with what they call the Eye of Horus (the anus). This is why the leaders of this World Order (such as George Bush, Bill Clinton, and tens of thousands of others) are into sodomy, they are trying to vampirize all the years of life out of the victim to gain a longer life. Some of the sad child victims, who have been kept exclusively for this purpose do look like the life force has been sucked out of them. "This complex is usually associated with suppressed sadism, which in turn is result of latent homosexuality.....Klimov observed that admission up the ladder of the power structure required membership in

the usual secret societies - "Masons, Shriners, Illuminates, Theosophy, etc.....They rely upon a social structure of hierarchy based upon fear and covetous envy - the essence of sado-masochism. It's the 'dog eat dog' rat race culture. As a translator and communications expert, Klimov saw normal productive individuals like himself were essentially prisoners in the system serving these degenerate 'superiors' out of fear.Working inside the top secret level of the CIA it wasn't long before he recognized *the same culture of degenerates operates both sides behind the scenes*.

.....Klimov's discovery of a sado-homo-cidal mafia at the top levels of power whether East or West coincides with Jim Garrison's 1967 independent investigation into the Kennedy Assassination. Garrison was told of the Washington DC 'homosexual elite' which constitutes the secret government. Garrison concluded that a primary reason Kennedy was so blatantly and brutally murdered before the American public was their contempt for Kennedy's heterosexuality.

[\[2003\] Tony Blair Caught Protecting Elite Paedophile Ring By Mike James](#) Thomas Hamilton was the centre of a paedophile ring in Scotland that procured boys to people of the amongst the highest rank, and Tony Blair [and] Jack Straw covered this up by the Official Secrets Actthe Blair government, which has already issued a D-Notice to gag the press from revealing the names of known paedophiles within the British executive, including at least two senior ministers; and the case highlights the government's antipathy toward the Sunday Herald and its brand of independent journalism that has, among other things, exposed the role played by the domestic security agency, MI5, in helping the IRA to carry out terrorist atrocities.

....Some commentators, mindful that one of Tony Blair's closest confidante's is a practising paedophile, are even suggesting that this particular scandal, and not Blair's repeated lies and fabricated reports in regard to Iraq, may well prove the downfall of a government mired in sleaze and corruption. The Sunday Times is reported to have obtained an FBI list of Labour MPs who have used credit cards to pay for internet child pornography, and Blair has responded by imposing a massive news blackout, failing however to stop the arrest of one of his most important aides, Phillip Lyon.

.....Why, when Thomas Hamilton's application for a gun licence was turned down, due to him being regarded as a man of unsound character [and] him being the object of several paedophilia investigations, did his MP, our friend George Robertson (now Lord Robertson, Secretary-General of NATO), write him a glowing character reference, and personally see to it that his application was successful, when he knew the grounds for the original refusal were because he was suspected of procuring boys for sexual services?"

Vet: "The war in Iraq is now having a demographic effect on the Iraqi population for the simple reason that there are so many car-bombings and shootings, all entirely concentrated on the young. This is a sure indication that the Mossad and the CIA are at work. Whenever they run an insurrection, they engineer demographic change and one of the largest groups hit in Iraq have been the 'breeding cows' (females anywhere from 2- to 20-years-old).

"Concentrating war on a very finite section of population is a known Israeli and CIA tactic. The CIA used it in South America where they ran genocidal conflicts in conjunction with the Mossad. When school came out there were no breeding cows (schoolgirls). This was even noticeable after the CIA coup against Allende in 1973. "The CIA trained the local Argentine Army Special Forces in the College of the Americas where they did the short graduate course, 'How to be a paedophile'. As a result, the Argentine Army Special Forces couldn't drive their international 6x6 trucks passed school bus stops without arresting nearly every schoolgirl in sight." "Sexual vampirism goes on and this explains why there is an epidemic of child sexual abuse among Masons, as they believe (also commonly held among Illuminists) that if you have sex with a child you steal some of their youth and that in turn makes you live longer, and if you have sex with lots of children and the younger the better, you can live virtually forever and this is the promise held out by Masons."--Bill [Schnoebelen](#) (Interview with an Ex-Vampire).

LaPage notes that the parasite can cause biological change, citing particular species which cause changes in the host's reproductive glands. The parasite sometimes castrates the host in order to weaken it, such as the parasitic crustacean Sacculina, which destroys the reproductive organs of its host, the short-tailed spider crab, Inacus Mautitanicus. We see the identical process today in which the hegemony of parasitism seeks to alter the reproductive process of the host by converting the younger generation to unisex and homosexuality, and to

render ineffective distinctive sexual characteristics of male and female. This is a classic instance of castration by the parasite. [\[1984\] The World Order Our Secret Ruler by Eustace Mullins](#)

Well, they all think that way, frankly. It isn't just Ted, they all do. So I... and just coincidentally, my daughter walks in. Now, my daughter is a very attractive young lady.

Ted goes, "Wow, I have to go to bed with that."

The CIA agent who has resurfaced recently has brought information to Jim Rothstein which is significant at this time. Jim shared a portion of it, which the Waterloo, Iowa TV station reported on. It was then circulated throughout the internet. He informed us that originally 1700 children were targeted for this project... they (pedophile ring) set about kidnapping children throughout the country over a period of years. The number of "usable children" they ended up with was approximately 1,000. I filed a FIOA request and received a reply saying "All records on Johnny's case with the CIA have vanished." We learned 22 years later that the only eye-witness to the kidnapping was forced to change his story years ago by the police chief. He saw a man shoot Johnny with a stun gun, saw him fall, then be thrown into the back seat of a waiting car. The witness instead stated he only heard the slamming of a car door. By the changing of the story 22 years later, it allowed the Police chief, Orval Cooney deniability and then call Johnny a "runaway child" instead of "kidnapped child". We also later learned the same police chief had been attending the sex parties in Omaha Nebraska with the Franklin kids, so it is no mystery why he was trying to "bury the Johnny Gosch story/case". Pedophilia, kiddie porn and child prostitution is a multi-billion dollar business. The only reason we have it to this degree is "supply and demand and supply and demand". Noreen Gosch, mother of Johnny Gosch who was kidnapped 20 years ago when he was 12, testified at Mr. Bonacci's hearing on his behalf on February 5, 1999 in this civil lawsuit against Mr. King. Ms. Gosch was responsible for the passage of legislation on behalf of missing children, and due to her efforts, the National Center for Missing and Exploited Children was created. She carried out her own investigation about her son's disappearance over the years and observed at this hearing that if the FBI had actually done their job in her case, it would have "opened up the biggest scandal in the United States, bigger than the Iran-Contra story." Paul Bonacci gave information to Noreen Gosch about the kidnapping of her son, Johnny Gosch, and admitted to participating in his kidnapping.

Ms. Gosch claimed her son, Johnny, visited her in March of 1997 and told her the exact same story Paul Bonacci had, and asked her to make these claims public. He said kidnapped children and others were being used by professional pedophiles and some of those children were victims of mind control. In Ms. Gosch's book, "Why Johnny Can't Come Home," (2000) she wrote that he and three others claimed that [Lt. Col. Michael Aquino](#) was involved in Johnny's kidnapping. (pg. 223) Ms. Gosch stated the following in the court hearing:

They use these kids to sexually compromise politicians or anyone else they wish to have control of...they were taken to be used by professional pedophiles. People that have the money to buy what they want, take the kids wherever they want... and by splitting the children's personalities they could then train each one of the personalities to do a different function.
